FOR PRINCES and RICH MEN ONLY.

THE ROYAL YAKUTI.

Registered in A. D. 1907 (No. 231).

THIS Yakuti or life-giving nectar has been prepared from the best, choicest and richest vegetable drugs. It has wonderful properties of increasing virile power and it rectifies urinary disorders. In fact it makes man a man. This valuable medicine is used in large quantities not only by our Rajas, Malangas, Nawabs and many of the nobility, aristocracy and gentry in this Country, but it is greatly patronized by people in all countries of Europe, America, Asia and Africa. It is needless to expatiate upon the magical qualities of this our invaluable medicine. We recommend it especially to those persons who desire to tone the nervous system, to strengthen the body, refresh the memory, and to guard against debility. Suffice it to say that the use of this medicine is recommended to those who have any faith in the Ayurvedic medicines. It works like a charm and the effect is lasting. It replaces lost power and rejuvenates the emaciated and it is enough to say that musk is not that which a perfumer admires. It is that which diffuses fragrance of its own accord. Price per tin containing 10 pills, Rs. ten only. These pills do not contain any harmful drug and we have received the best certificate from the Government Analyser upon the analysis of this medicine in the Bombay Government Laboratory.

The State is about 300 miles in length and about 50 miles wide, is divided lengthwise into three great strips. Of these, the first is a part of the great Indian Desert; the central tract chiefly desert, not capable of cultivation identical with the Bar or Pat uplands of the Western Punjab; and the third, a fertile alluvial tract in the river valley, is called the Sind. The ruling family is descended from the Abbasside Khalifas of Baghdad. The tribe originally came from Sind, and assumed independence during the dismemberment of the Durrani Empire in the Treaty of Lahore in 1809, Ranjit Singh was confined to the right bank of the Sutlej.

The first treaty with Bahawalpur was negotiated in 1833, the year after the treaty with Ranjit Singh, for regulating traffic on the Indus. It secured the independence of the Nawab within his own territories, and opened up the traffic on the Indus and Sutlej. During the first Afghan War the Nawab rendered assistance to the British and was rewarded by a grant of territory and life pension. On his death the succession was disputed and for a time the administration of the State was in the hands of the British authorities. The present Nawab is Captain His Highness Rukn-ud-Daula, Nusrat-i-Jang, Hafiz-ul-Mulk, Muklis-ud-Daula, Nawab Sir Sadiq Muhammad Khan Bahadur Abbasi V, K C S I, K C V O, who was born in 1904 and succeeded in 1907. During his minority the State was managed by a Council of Regency which ceased to exist in March 1924, when His Highness the Nawab was invested with full power. His Highness is now assisted in the administration of his State by a Chief Minister, Izzat Nishan, Imad-ul-Mulk, Raisul-Wozra Khan Bahadur Mr Nabi Buksh Muhammad Hussain, M A, LL B, B O C S, a Public Works and Revenue Minister, Mr C A Barron, C S I, C I E, C V O.

THE SEVEN CITIES OF DELHI

A DESCRIPTION AND HISTORY

By Colonel Sir GORDON HEARN. Kt., C.I.E., D.S.O., R.E.

• KASHMERE GATE.

¶ This book first appeared over twenty years ago. The author had been engaged on the construction of the Agra-Delhi Railway, and during a year spent at Delhi, he guided several friends to see the monuments. Thinking that his experience would be useful to others, he spent much time in making notes and in taking photographs for the bulk of the illustrations, receiving the kind assistance of several persons who had a long acquaintance with the cities and with the sad memories of the Siege. He thus forms a link with the past.

For the greater part of the two following years he studied history, and wrote both this and a hitherto unpublished book on the Siege. The bibliography will show that up to the present over 140 works have been consulted, for his interest in the subject has not ceased. It is very gratifying to find that few errors have come to light, for a detailed history of this sort has required a great deal of verification.
